PIZZA BAKING INSTRUCTIONS

Getting Started

Bake within 60 minutes of purchase or refrigerate. If refrigerated, remove 60 minutes prior to baking for crust to rise. Always bake pizzas within 24 hours of purchase.

BEST BY:

Step 1 – Preheat

Preheat oven to 425°F. Remove plastic wrap and leave original crust pizza on tray.

Step 2 – Bake

Bake pizza on center oven rack for approximately 19 to 23 minutes (varies by oven). Remove pizza from oven when the cheese is bubbling and the crust is golden brown. Pop any bubbles with a fork.

Step 3 – Garlic Butter

(Optional) Remove pizza from oven and immediately brush the crust rim with our house garlic butter included with your order!

Step 4 – Enjoy!

Allow pizza 5 minutes to rest before cutting. Serve and enjoy!

Step 5 – Tag us
